

ESF Strategic Workshop on Uncertainty Management In Simulation-Optimization Of Complex Systems: Algorithms And Applications

Venue:
University College
Fondazione C. D. Tardini NPO Via Domenico Tardini 35
00167 Rome Italy

HOW TO REACH THE VENUE

By car: From the GRA (Grande Raccordo Anulare) get out at the exit n.1 Aurelia Città del Vaticano, travel on SS1 and take the Aurelia avenue following the indications to the centre of Rome, arrive in San Giovanni Battista de la Salle and take Viale Tardini, you will find the college on the left at the beginning of the pinewood.

By train: From the main train station Termini you need to take the tube line A (red) and get off at the at the Cornelia station. You need to follow the exit to Via Tardini, from there go straight on to Via della Pineta Sacchetti, the college is on the left at the beginning of the pinewood.

By plane: From the airport of Fiumicino Leonardo Da vinci take the train which brings you directly to Termini St. and from the there take the tube line A (red) and get off at the Cornelia station.

You need to follow the exit to Via Tardini, from there go straight on to Via della Pineta Sacchetti, the college is on the left at the beginning of the pinewood. The Roma Fiumicino airport is connected to the city by highway or by a local train service, called Leonardo Express, leaving every 30 minutes for Termini station. The Roma Ciampino airport is just a few bus stops from underground line A terminal Anagnina, otherwise you can easily find bus that every half an hour brings you directly to Termini station. The journey takes about 40 minutes.
